Activities

We believe that when the mind is happy and being stimulated, a person's overall attitude and health is improved. Our activities coordinator personally meets with each resident upon moving in to discuss all of their interests. Residents can participate in as many activities as they like, or as few as they choose. Our programs are flexible, and as the residents' interests evolve and change, so do the activities at John-Wesley Villas.

There is so much to do and see in Macon. Whether it's visiting the Shoppes at River Crossing, taking in a show at the Grand Opera House or eating lunch at The Fish and Pig, you can be assured there are lots of opportunities for fun. However, it is not necessary for residents to leave the property to have a great time. Our activities director can transform our common areas into a beautiful tearoom for a Mother-Daughter Tea, or create a Fall Wonderland for our annual Low Country Boil.

Our residents are encouraged to participate in activities, but we understand that not everyone will want to be a social butterfly. The morning exercise class is a great option for those who enjoy being around others, but may not like the lively parties or outings. We also offer residents the option to join several clubs that play different card and board games. For those who are interested in learning more about a wide variety of topics, we bring in fabulous and knowledgeable speakers.

We would love for you to visit us and participate in one of our exciting events or outings. Check out our calendar and give us a call to sign up today.
